Dear Honorable Judge Gujarati, BROOKLYN OFFICE

I pray you are in the best of spirit and health. This is regarding case 1:15-cr-00213-DG-SJ-2. I was having trouble accessing my discovery for the past year and a half (see Exhibit A) since I sent my initial motion regarding the return of my laptop (Docket # 160). In the government's response (Docket # 161), it wrote, 'As the defendant notes in her letter, the government returned a laptop seized from her apartment to her then attorney Thomas Dunn, Esq., [...] As reflected in both the government's discovery letter, dated July 30, 2015, and evidence logs from the search of the defendant's residence, the only laptop seized by the government is the one that was returned in August 2015.' The August 13, 2015 discovery DVD shows in its July 30, 2015 production PDF file two separate laptops taken from my parents' house. In order to access the PDF file, I opened folders in the following order: DVD RW Drive Aug 13 2015 > 2015-07-30 Production 1 > 27-Pictures > Pictures 1-103.pdf. In the "Pictures 1-103.pdf" file, pictures 56 and 57 are of the then-new Lenovo notebook laptop that was returned as mentioned above to my father in August 2015. Pictures 40 and 41 are of the old Lenovo laptop that belonged to me and was part of the discovery, and was promised to be returned in court on two separate occasions, during the Plea Hearing August 23rd, 2019 and during the sentencing January 9th, 2020. Can the government please return my laptop? Thank you.

Dear Ms Crocket C2 Unit Manager,
I need to access my discovery CD/DVD's ASAP and was told by Case Manager Mr Edgeworth that there was some difficulty accessing them. The only ones I need to access at this time are the ones labeled "Discovery". I believe those particular CD/DVD's are accessible and relevant to the legal matter at hand. Please help as I need to reference exhibits from the "Discovery" CD/DVD's before the government disposes of all my property - which it posted on my docket to dispose of very soon. I have been trying for a year now. (Do not write below this line) Thank you very much

DISPOSITION:

Mr. McDaniel will set up a time for you to review your discovery DVD
